Enclosure 3. 17

From

The Inspector General of Police
in Mysore,

To

The Chief Secretary to the
Government of Mysore.

Sir,

I have the honor to forward copies of the marginally noted correspondence regarding the necessity for an increase to the strength of the Sagar Taluk Police. The Deputy-Commissioner, Shimoga applies for an additional force of one Duffedar and 6 Constables.

2. Since the formation of the Sagar Sub-Division, the work of the Police at the Sagar Head Quarters has increased considerably. It will be seen from statement A herewith submitted, that Police work under all heads has steadily increased and there is a tendency for further increase as remarked by the Deputy Commissioner.

3. The present strength of 2 Duffedars

and 13 Constables stationed at Sagar is quite insufficient, considering the needs of the Sub-Division and the requirements of a growing town and 4 constables had to be temporarily drafted from other taluks to keep pace with the increasing work, but this arrangement cannot be continued much longer without impairing the efficiency of the police work in those taluks.

4. I think a good case has been made out for the increase of the police Establishment applied for and I therefore submit a proposition statement for the small additional force required and request the favor of early sanction.

To,

The Inspector General

of Police in Mysore.

Sir,

I have the honor to bring to your notice that since the formation of the Sub-Division office at Sagar, the work of guarding the prisoners in the Taluk lock up has considerably increased, and the number of men attached to the Sagar Head Station is found quite insufficient. In addition to the guard and watch, the station Police have to perform usual beats daily, escort the undertrial prisoners to sub-Division, Munsiff, and Taluk Magistrat Courts and the convicted prisoners to the District Jail who the term of imprisonment is above one month. The Police have further to execute a large number of processes issued from Magistracy.

2. I have, as a temporary measure, deputed 4 Constables, 2 from Nagar and 2 from Tirthally Taluks respectively to the Lock-up duty at Sagar. These men cannot be permanently withdrawn from their own Taluks without impairing the efficiency and dispatch of work in those Taluks.

3. Under these circumstances, I beg to request that you will be good enough to obtain Government sanction to increase the strength of the Sagar Taluk by one Duffed and 6 Constables, so that the additional work entailed

on it may be performed efficiently.

Shimoga.

His letter No. 123/216 of the 18th August 1892.

With reference to the above, has the honor to request that he will submit a statement shewing the number of processes issued by the Magistracy and executed by the Police month by month since the formation of the Sub-Division, of under-trial prisoners and those sentenced to below one months rigorous imprisonment and guarded by the Police in the Lock-up and of the convicted prisoners above that term of punishment escorted by the Police to the Shimoga Jail. The allocation of the present strength should also be shewn in the statement. The facts and figures given should be compared with the previous months when the Sub-Division was not in existence, so as to shew the difference in work and the necessity for an addition to the present strength.

Proclamation.	Notices.	Remarks.
"	"	The strength of the Sagar Head Station is 1 Jemadar, 2 Duffedars and
"	"	13 Constables.
"	"	2. The Sagar Sub-Division Office was established in November 1891
"	"	but it was brought to working order from the beginning of December following
"	"	3. This statement embraces two periods, each consisting of 9 months
"	"	preceding and following the establishment of the new office with a view
"	"	to show at one glance how the work has steadily increased since the
"	"	formation of the new Sub-Division. It is evident that work under all
"	"	Heads has increased and there is evidently a tendency for further
"	"	increase.
"	"	N. B. The existing strength is employed on the duties detailed below.
"	"	Of the 2 Duffedars, 1 is in charge of the Head station, looks after
"	"	the Lock-up, patrols in the Town &c while the other attends to general
"	"	out-door work and investigates petty cases as occasion arises. Of the
"	"	13 Constables, 3 are given away as orderlies to each of the 3 officers at
"	"	the station, viz: Sub-Division Magistrate, Amildar Magistrate and Police
"	"	Inspector as per orders of the Inspector General of Police. 8 attend to
"	"	8 Beats attached to the station, 1 does clerical work in the station and
"	"	the other in waiting.
